

Which CBSs?

If the L&S held a regular monthly meeting within 50 miles of your home would you try to attend – if the meeting interested you?
Yes No

Would you try to attend if the meeting was more than 50 miles from your home? Yes No

The L&S is looking at what we can and should be doing for its members. What would you like the society to be doing for you?

Number the following from 1 (most important for you) to 10 (least important) in the order of importance to you

- Run more shows
- Offer more help with basic advice
- Provide a regular or quarterly journal
- Run another Sales Day
- Hold regular Monthly Meetings
- Organise events and meetings for the non-exhibitor
- Organise visits to leading birdrooms
- Provide meetings of a general nature about ALL birds and animals
- Organise regular workshops for people to understand budgerigars in birdrooms
- Organise a coach for the BS club show from a central point

What could we be doing for you in addition to what is already on offer?

From the list below of our current activities, from YOUR perspective, what should we keep – and what should we scrap?

✓ Tick for keep ✗ Cross for scrap

- Newsletters Patronages Help-line Website Ring orders Young Stock show
- Specialist & Rares show Open Area Championship show Monthly Meetings Seminars
- Club show trip Trip to Specialist & Rares show at Coventry Christmas Social
- Send reminders for events by e-mail

Tell us what you like about what the society offers now

Tell us what more we could be doing for YOU as a member of the society

Add anything that YOU believe would be of value to those planning the future of the society

Please add you name and address at the bottom and we will include your name in the FREE draw for two bags of Buckton's seed
